Important Note on CCB - Kids Club Vacation Care Provider Number:-

To receive the 50% Child Care Rebate and Child Care Benefit (CCB) families with a CCB rate must be CCB assessed by ringing FAO (136150). Existing families who have used our service previously and have a current CRN do not need to worry. **This is a parent's responsibility to then advise us.**

Cutoff date and late booking

Our cut-off date to guarantee a space for your child for Vacation Care is:

Wednesday 9th December 2015.

Due to the Vacation Care program being full on several days, full payment or a payment option selected must accompany this booking form and be received by the above date, otherwise you will incur the Late Booking Fee or miss out on a space for your child. We have strict excursion and incursion child attendance numbers to confirm with our activity providers by this date and will only be able to accept children who have been formally booked in.

We cannot guarantee a placement for any child booked in after the above date which may result in your choice of day being full.

Late bookings after the cut-off date will attract a "Late Booking Fee" of \$5 per child per each day of attendance required, in addition to the regular daily fee.

Any changes made to bookings after the cut-off date will be made on a case-by-case basis by Head Office, dependent on the number of children already booked in for that day. This will incur a \$2 re-booking fee per child.
