Important Note on CCS - Kids Club Vacation Care Provider Number:-

To receive the Childcare Subsidy (CCS) families must register with Centrelink. You must confirm your bookings in the MYGOV app to ensure you will get your subsidy.

This is a parent's responsibility the centre will not be responsible if families have not completed this.

HAVE YOU VISITED OUR WEBSITE YET? www.ooshnb.com.au

Vacation Care Information and Conditions

(Important - please read thoroughly)

Fees & Closing Date:

The cost per day is \$60 (less any applicable Childcare Subsidy) which includes afternoon tea, entry fees to excursions and in-house incursion costs. We have had to change our bus provider, resulting in a significant increase in bus hire cost which we are no longer able to absorb, so therefore we have reluctantly added a small cost of \$10 for the bus hire on excursions. For new families there is an annual OOSH Northern Beaches enrolment fee of \$50.00 / family. This will register families to include future vacation care and before & after school care services for 2018.

Certain days will have restricted availability imposed on us by the excursion provider, so we urge you to make your booking through My Family Lounge prior to Monday 25th June, but any booking (even before this date) will be subject to availability. *Due to our growing waiting list each day, and feedback from parents, our cancellation policy has had to change. Families are required to give 7 days' written notice to manager@ooshnb.com.au to cancel any bookings.*

Refunds:

Refunds are normally not available for absent days. Please contact the centre by 8.00am should your child not be attending on any day. There will be no refunds for sickness, suspension and inability to attend, unless in exceptional circumstances.

Authorised Collectors:

Emergency contacts are also authorised collectors, however they will need to set up a pin number on our new digital sign in/out system the first time they use it (a very simple process and staff are there to assist).

Sickness:

We regret that we are unable to care for sick children. Prescription medication will be administered to child/ren by staff only under written authorisation from parents/guardians. Please do NOT let your child administer medicines themselves.

What to bring:

- **Clothing (to get messy/dirty) – hats and jumpers that are clearly marked**
- **Sunscreen** should be applied to your child every day before dropping them to Vacation Care. Sunscreen may be reapplied during the day by staff as deemed necessary, please indicate if you do not wish this to occur.
- **Shoes:** closed-in shoes **MUST** be worn at all times. Bowling & outdoor activities require closed-in shoes/socks.
- **Water bottle** and **Food:** Children are to bring enough food and drink for morning tea and lunch. Afternoon tea is provided unless we are advised your child has any special dietary requirements. Please ensure lunches will not spoil in the warmer days (include an ice pack for example). If your child requires additional food, please include this in their lunchbox.
- **PLEASE NOTE NO VALUABLES.** Money is not the educators responsibility so please make sure your child has a safe place to keep their money & they know how much they have been given. Children will not be allowed to make purchases at any excursion facility.

Excursion information

All excursions will begin and end at the centre. No child/ren are to be taken to the excursion site or picked up from the excursion site unless prior written notice and prior approval has been given. We usually leave the centre between 8.45am and 9.00am **please ensure your child is at the centre by 8.15am** for a briefing session on these days. Should your child not be present by 8.45am they may miss out on the excursion for the day (a sign will be posted on the door advising the bus has left). We usually return between 3.00pm and 3:30pm. Should you wish your child returned prior to 3.30pm please let the staff know the time you wish your child to return and we will attempt to satisfy this request. Buses used for excursions are driven by a hired bus driver from the supplying bus company with full insurance. A small cost of \$10 will be added to your account to cover this cost.

When you confirm your child's booking through my family lounge app for excursion days, please make sure you read the description as it includes the following information regarding excursions;

(a) The child's name; and

(b) The reason the child is to be taken outside the premises; and

(c) The date the child is to be taken on the excursion (unless the authorisation is for a regular outing); &

(d) a description of the proposed destination for the excursion; and

(e) The method of transport to be used for the excursion; and

- (f) The proposed activities to be undertaken by the child during the excursion; and
- (g) The period the child will be away from the premises; and
- (h) The anticipated number of children likely to be attending the excursion; and
- (i) The anticipated ratio of educators attending the excursion to the anticipated number of children attending the excursion; and
- (j) The anticipated number of staff members and any other adults who will accompany and supervise the children on the excursion; and
- (k) That a risk assessment has been prepared and is available at the service.

By clicking confirm booking you are agreeing to these terms, any questions please call head office.

Children are updated on the rules of travel and behavioural code expected on excursions prior to leaving the centre. We do walk the children the short distance to & from some excursions and this is supervised by our staff who wear reflective traffic vests. Children are briefed on road rules & safety rules and appropriate behaviour whilst in high traffic environments. However, every effort is made to avoid busy areas and a full risk assessment is completed for each excursion. St. Johns First Aid recommended first aid kits and asthma kits are taken to all excursions and at least two members of staff hold a senior 1st aid certificate. Any medication that has been signed in by a parent will be included in our 1st aid kit.

Our staff takes excursions very seriously and we have strict guidelines in place. Senior staff members are more than happy to talk you through our excursion procedures at any time.

Stay sun smart!

Activities/clothing:

Each day apart from the scheduled program, there is sport, games, art & craft experiences provided. **Electronics cannot be brought to the centre.** Any loss or breakage of device brought is at the children's own risk. On in-centre days, morning tea is at approx. 9.30am & lunch is at approx. 12.30pm. We attempt to have afternoon tea between 3.30pm . 4.00pm, but this is usually prepared by the children so the time may vary slightly (and dependent on the return time from an excursion).

Children are to wear clothing appropriate to the daily activities and we provide reflective vests for each child to wear on excursions. All belongings should be collected when the children are signed out each day, we cannot take responsibility for clothing left behind each day. Any clothing left at the end of vacation care will be taken to St Vincent De Paul.

Behaviour:

Disruptive and/or aggressive behaviour will be dealt with by the staff following the centre's behaviour management strategies. A report card will be submitted to Head office following disruptive behaviour. Three (3) Report Cards throughout the duration of a vacation care period will result in a meeting with the family and Licensee to discuss the suitability of this centre for your child and their attendance.

Nuts:

Due to increased numbers of children with life threatening allergies to peanuts, **we will not allow any peanut butter or nuts to vacation care**. If a child consumes peanut butter for breakfast, please wash hands/mouth thoroughly before arriving at the centre. We request your co-operation in this matter.

General Information:

At kids club we are able to offer lounges for relaxation or watching a movie quietly after a long day, a designated craft area with craft supplies in abundance, outside activities (ex. tennis, soccer, handball, cricket, ball games) and we make use of the school's hall and play area and play equipment structure.

Afternoon tea:

Afternoon Tea is provided during Vacation Care. This is a snack only and is usually served between 3.30pm and 4.00pm depending on each day's activities. All of our afternoons are from our healthy eating menu and afternoon tea snacks could include; cheese, dips & crackers, sandwiches, soup, homemade pizza, pasta, vegetables, and fruit. If your child needs more than a snack in the afternoon, please provide them with a little more food than usual.
